Subject: Inviting applications for Handicrafts Artisans.

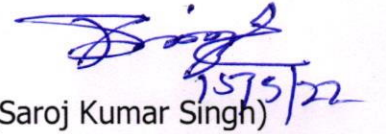

Sir/Madam,

As you are aware that handicraft unified portal is on trial and this office has inviting applications through the portal for the slot 16.09.2022 to 30.09.2022 at Dilli Haat, INA. At the same time, many field offices have issued participation letter to the artisans without selection through the portal.

In view of the above, it has been decided that in future, no physical application of artisans for Dilli Haat, INA will be accepted and the applications will be invited only through the portal via <https://indian.handicrafts.gov.in/en/users/login>.

This issues with the approval of Development Commissioner (Handicrafts).

Yours faithfully,

(Saroj Kumar Singh)

Assistant Director (MSS)
